Über NORCAN

1987 gegründet, NORCAN ist Marktführer in Frankreich und einer der führenden Anbieter in Europa im Bereich der modularen Konstruktionslösungen auf der Basis von Aluminiumprofilen. Das Unternehmen produziert mehrere tausende Anwendungen pro Jahr aus ihrem Hauptstandort im Elsass, Tochtergesellschaften und einem Netzwerk von Partnern im Ausland. Darüber hinaus integriert NORCAN die Baureihe der kollaborativen und mobilen Roboter SHERPA®. Weitere Informationen finden Sie unter www.mynorcan.de
